(Do not fax or mail this instruction page)

This form is used to request reimbursement for health care expenses only. All health care expenses may be first submitted to your health care plan or any other health care coverage that you may have. Please note the following instructions:

- Use this form to request reimbursement of expenses incurred during the plan year.
- If you are submitting expenses for more than one plan year, you can submit a separate form for each year that you are an eligible participant. Complete all information, and be sure to sign the Self Certification in Section 3.
- Each expense you submit must be properly documented.

**Option 1: *Go Paperless!*** You won't need to complete paper forms anymore. Just submit claims online!

**Option 2:** Submit your claim using this form.

- Complete a separate line for each individual expense.
- Use page 3 if you exceed the number of lines available on page 2.

**Step 2: Attach Supporting Documentation**
